

Oneness Awakening Course

September 17th-18th, 2011

“An accelerated growth workshop for living in these times of peak experience with grace and power.”

Would you like to experience a greater sense of healing and ease in your relationships and with the challenges of the day?

Would you like to bring more awareness, trust, and grace to the world that's being created by all of us with our thoughts, intentions, and efforts?

Universal teachings, ancient meditation techniques, yogic practices, the Oneness Blessing, (a non-ecumenical transfer of divine energy embraced by 100 million people of different faiths and traditions around the world.)

Culminating in an initiation whereby participants will then be able to share the Oneness Blessing with their families and communities.
